A BUBBLY MAINE WILD BLUEBERRY WINE IN A CAN

vibrant, crushable, & just a touch sweet

This can of *wild* is a delicious, irresistible banger. It contains the naturally fermented juice of one pound of Maine wild blueberries, raised and tended and hand-harvested by the Passamaquoddy Wild Blueberry Co. in and around Columbia Falls, Maine. Passamaquoddy have been harvesting this indigenous wild fruit for more than 1,000 years. We are proud to present this pure, minimally processed wine, scrumptious but also sort of serious.
